From,

To,

Mr. Narasimhaiya Esq.
Secretary to the Govern-
-ment of Mysore, Revenue
and General Department.

Sir,

With reference to your docket
No. Rl. 330 dated 26th August 1902,
calling for further report in the
matter of granting loan to Srini-
vasa Pandit of Chickballapur,
I have the honor to forward here-
-with copy of docket No. 294 dated 8th
December 1902 from the Sub Divisional
Officer furnishing the information
called for. -

2. Under the circumstances
therein specified I am not in favour
of recommending the grant of the

loan at all to the applicant on the security of the encumbered Jodi village since there appears to be no harmony between the Shareholders of the village. Moreover there will be no use for Government to take over only a half Share in the village ~ pertaining to the applicant.—

3 A detailed statement showing the particulars of Jodi village and Inam lands is filed in the accompanying vernacular records from which it will be seen that the value of the whole village is ~ estimated at Rs: 65000/ and that of other Inam lands at Rs: 4150/—

I have the honor to be,
Sir,
Your most obedient Servant

Deputy Commissioner

Enclosure No.

Memorandum No. 553
dated 25th September 1902
calling for certain information regarding the grant of a loan to one Srinivasa Pandit.

With reference to the above, have the honour to forward herewith the papers in duplicate with the Chicklihall afsun Amildar's report No. 484 dated 29th November 1902, from which it will be seen that the applicant is half the share of the Inam

lands and the good village appear to have been hypothecated for Rs 5000/- to one Vaikkattalai Meenakshi and the other half share of the property of his brother Subramania Pandit has been similarly hypothecated to the Sivakamasundari Bank for Rs 3000/-. Interest payable on the principal amount to Rs 1200/- making up a total sum of Rs: 9200/- liable to be paid on the lands.

2 Subramania Pandit, the half hissedar of the property desires that a loan of Rs 8000 may be granted to liquidate the debt, and the property taken under the management of Government, his half share of the property being restored to him after the amount of the loan is adjusted from the surplus profits of the lands taken under the management of Government. He objects to the introduction of a Survey settlement to the village before the grant of the loan applied for.

3 The petitioner Sivakamasundari alone (the half hissedar) has consented to the introduction of Survey settlement to the village. The amount that would be left for the fulfilment of the charity will have to be known after the village is taken under the management of Government and Survey Settlement introduced. There is however very little hope of any surplus being left besides there seems to be no unanimity between the shareholders of the village in question.

4 Under these circumstances the undersigned is of opinion against recommending the grant of any loan to the applicant.
